Our Journey and Values

At Affordable Trading, we embark on a journey that goes beyond the ordinary. Our story is one of dedication, innovation, and reliability. For years, we have been serving Qatar's construction landscape with a steadfast commitment to delivering products that stand the test of time. We understand that the success of any project hinges on the quality of materials used, and that's where we excel.

CEO'S MESSAGE

Our main goal is to be a supplier of choice for our customers. We guarantee excellent service for our clients, along with our commitment to supplying products of the highest quality. At Affordable Trading, we are convinced that a responsible approach to business is a decisive factor determining our long-term success. One of our most important company assets is our reputation for ethical behavior, honesty, and fair dealing. In such a highly competitive environment, Affordable Trading managed to build a solid base and a flawless reputation. Our products are in compliance with all International & local standards, supported with certificates from Government-approved Laboratories in the State of Qatar. It is an honor to be a part of such a dynamic & hardworking team of professionals who have strived with their loyalty & dedication to bring Affordable Trading to its current status. Along with the 2030 vision of Qatar, we stand behind our commitment, integrity, and service excellence, aimed towards the enhancement of service quality and the lives of our people.

VISION

Our vision is to set a milestone in the steel and timber industry, along with a robust presence in the assorted range of building materials for the construction industry by providing unrivaled service & satisfaction to our clients and end users, bundled with quality products of the highest global standards, along with the most competitive pricing. At Affordable Trading, our ambition is to be recognized for reliability, responsiveness, commitment, competence, and best customer service.

MISSION

Our mission is to provide the most comprehensive range of building materials in conformity with established contracting policies and procedures, together with constant improvement of such essentials as quality service. Our objective is to build a strong brand value that makes us unique in all aspects, and we aim to ensure the complete satisfaction of our clients, thereby making us the market leader of our business segment with the highest integrity and unmatched business standards.

CORE VALUES

Our business approach is value-based. We use values to guide our behavior toward each other, our customers, our partners, and our communities. Our corporate values have been set by our leadership, by which all our business processes are guided. We are looking forward to keeping our leading position in the market and to further developing our operating excellence in every segment of our activities while keeping business ethics as our paramount priority by exceeding clients' expectations, achieving the most optimum efficiency of our valued human resources.

WE INVITE YOU TO EMBARK ON JOURNEY WITH US.
